

BERNARDO SUNDERHUS

FRONT-END WEB ENGINEER

320 Afonso Pena Street
Praia da Costa, Esipirito Santo, Brazil
bernardo.sunderhus@gmail.com
bernardo.sunderhus.nom.br

BIOGRAPHY

I'm a 24 years Brazillian who is passionate about working with inovations. As web development is currently in the midst of a big storm of changes I see myself as a constant student, always interested and dedicated to keep up (and also improve). I love to spend time with my family and girlfriend and invest extra time into outside projects
